As the sun rises in the East to
open and adorn the day...

By attending stated meetings, we learn from our fellow Masons the meaning of friendship & brotherly love. Not only do we strengthen the bonds of fellowship as we join together with like minded men who share the ideals of both moral and social nature.

Are we fulfilling these ideals when we are in an open Lodge? Do we participate in the discussion of the business on hand? Do you listen to what is being discussed? This are the questions you want to ask yourself to be a part of the Lodge business. Be involve in the decision making. Become an active and not a passive Mason.

While Freemasonry itself is not a charity, Charity has been the most visible activity. Freemasons have always been known for charitable work like; caring for our sick and elderly brothers, helping a distressed worthy Brother, (it's in our obligation) and there is so much more. Our Masonic Home in Union City is one where Masonry is actively involved in caring for our elderly.

We will soon be conferring the degrees in Masonry and I would like to ask the officers to commence learning their part in the first, second & third degrees. Together we can give our candidates for degrees an unforgettable moment in their lives and that is by giving them an outstanding degree work

... so rises the Worshipful Master in the East to open and govern his Lodge.

In Harmony,
Noel T Santos WM
