The Master's Message

Greetings Brethren! I hope that everyone is enjoying this somewhat good weather being bestowed upon us. As we round up the month of May, we're looking forward to a better & beautiful Bay Cities Lodge. Let us plan and grow to a bright and better future.

We have initiated our last EA for the first half of the year 2023. We are now gearing up in passing our newly initiated brothers to the second degree in Masonry. This is the midway point where we will find out if they are truly learning to be a better man. We as Master Masons are building the temples of Freemasonry in the hearts of these men. What affects one Mason affects each and every other Mason.

Our purpose in reviewing our Masonic etiquettes is to ensure that our newly obligated Brethren learn the correct ways of conducting themselves in the Lodge & elsewhere they may find their way in any situation where they can exemplify the right way of the masonic practices in their journey of becoming a Master Mason. Being a member of a Lodge takes devotion and sometimes sacrifice of the family. But at the same time, if you are true to your Lodge your family will also be respected especially if you bring them in your Masonic activities. The purpose of Masonry is to bring together not only the members but also their families. That is the purpose of Masonry, you join Masonry to help others.
