FROM THE EAST

Fraternal April Greetings, with wishes for spring showers, your continued good health & abundant blessings,

I have asked our Wardens to forgo their articles this month; as with Lodge business, late planning-budgeting for 2022, newly forming committees, degree conferrals and our other labors I felt it was enough to bear on their already busy schedules. After long years of forced inactivity, restrictions, chaotic false starts, worries and loss, *our foundations shaken*, the lodge begins 2022 anew with a full core of officers, strong turnouts at meetings & social functions, 8 EAs ready to pass to Fellowcraft and new prospects attending our April stated dinner. Working together to rebuild, restart & return to normal Lodge functions we have the faith, hope & charity of mind that this growing season will bring not only the bounty of May flowers but health, prosperity & strength that BC Brothers expect for their Lodge. The recent past has taught us all that change is inevitable so I encourage all my brothers to resume their attendance, commitment and participation as Bay Cities strives to improve like Masons have always done. There is still much to accomplish and help by taking a part!

That said, with the promise of growth & new horizons, as Master it is with a heavy heart, I note & lament in April yet two more funerals for past W. Brother PMs. Arrangement for W. Alex service are the 12th -14th with Masonic Services @ 5:30 on the 12th, viewing that day & on 13th, burial on the 14th. I ask all Brothers to keep abreast of the date reminders when posted and show grieving families the honor, love and respect these *passings* deserve from a lodge that holds their W. Brothers' memory and loss so close & dear.

*"... I have promises to keep, And miles to go before I sleep,
and miles to go before I sleep."* **

****Stopping By Woods on a Snowy Evening by Robert Frost**

May our Supreme Architect Bless & Keep you,

John Forcum WM
