## FROM THE EAST

It is the eye which makes the horizon. [Ralph Waldo Emerson](#)

It has been a busy April for the Lodge and we expect May to be equally so, if not more challenging. As we labor to resume normal activities I encourage my brethren to come, see & join in the real progress the #337 is enjoying. Degree conferrals have been on going, dinners & meetings have awesome attendance with friendly fellowship that is the envy of our inspector and sister lodges. We look forward to our May Stated meeting & dinner with guest speakers from Rainbow's Grand Assembly and a local assembly's new member as well as reports in meeting of the Wardens' retreat in Tahoe. We thank Leo B. & Kris J. for signing up for committee posts (*how about U accepting a part in our necessary work?*). **We are always stronger when we strive together.** That said I wish to express gratitude for those attending funeral services this last month and for lodge officers who have given of themselves and shared in the successes that Bay Cities has been blessed with this year. Our lodge has started the work on many new projects both charitable & in line with updating and refining operations and commitments:

- Delivery of stated dinners to some of our widows
- Our upcoming golf tournament
- TB mailings to brothers with no email account
- Updating emails to include concordant bodies & BC's friends in our community...& more

As well as our ongoing normal business.

Our Wardens will forgo their articles again this month as with retreats, degree conferrals, Lodge business, work, health & family ~ I deemed it too much to require of them. Likewise, I have tried to keep mine short!

...there is no greater joy than to have an endlessly changing horizon, for each day to have a new and different sun."  
[Christopher McCandless](#)

***May we always be so lucky!*** John Forcum WM
