FROM THE EAST

A good traveler has no fixed plans, and is not intent on arriving

Fraternal Greetings Brothers,
Welcome to June the gateway to summer, the longest day, the shortest night and Spring being a tough act to follow, our "G's" best gift to the world. Blooming flowers, weddings, midway between planting & harvest, awesome weather ~ is your trestle board full of spectacular designs? I think so!

May for the 337 was indeed a busy yet bumpy time for Bay Cities. And as we all have become accustomed in these recent years, after a good start, best intentions, bright ideas, a few changes improving our craft, albeit the random missteps and setbacks we resume our labors again in June with optimism and determination to move BC forward. The lodge has been so fortunate to see brothers, families, friends, concordant members and prospects at our functions, an increase in rentals, tenants, activities and participation with brethren's return at wonderful levels not seen in years. The pictures below show the promise of improving this richness and hope of an even brighter future on the horizon. We encourage you to keep abreast of upcoming events, using the 337's RSVP features (*that have also been hugely successful in the business aspects of operating successfully by JW Dan L*) and join not only in the fellowship, festivities and fun but in the real tasks & responsibilities our fraternity is best know for. Several returning brothers have stepped up to this call yet there is still much available and needed to be done. Facing these hard times with a thoughtful eye, especially with timing, health projections, news & other concerns the executive officers have made with regret the difficult decision to forego our normal 4th of July celebration this year.

I end by calling your attention to our wives, partners, widows and families who ever inspire & support us Masons in growing numbers at our gatherings. Family is an essential virtue, honored plus so rewarding. As we labor towards stability in uncertain financial & troubling times, supported by those we care for & about, our lodge stands better poised than many throughout the state facing many similar obstacles. We are rebuilding, growing & able to the job!

May your travels always be safe & so harmonious
Fraternally John Forcum WM

Masons for Mitts 2022

PLAY BALL!

Every baseball season, the Masons of California and Prince Hall Masons of California partner with the San Francisco Giants, through a partnership with the Giants Community Fund and the Junior Giants program, to bring fun and teambuilding skills of baseball to

underserved California kids.

For 14 years, teams of Masonic lodges have faced off in friendly competition to help the most kids they can by raising funds for programs through these MLB partnerships. The COVID-19 crisis has hit these communities particularly hard. With the help of Freemasons across the state, and PARTICULARLY those in the East Bay, kids will still get an enriching summer experience. Now more than ever, these kids need our help!

Your past generosity has helped to provide more than 42,000 mitts for deserving boys and girls all over Northern California. **Just a \$20 donation** ensures one high-quality mitt, emblazoned with the square and compass, is delivered into the hands of a deserving child.

To help create an amazing summer experience for underprivileged kids across the state, visit our site here: <https://bit.ly/Masons4Mitts2022>, and click the box under the words "Give a Mitt". This will take you to a donation page, pre-filled to ensure our East Bay Aces team gets the "credit" for your donation.
