As the sun rises in the East to open and adorn the day

As the year 2022 ends, one thing is for sure, we need to continue what our Lodge has done for us in the previous years.

I hope that you and your family had a wonderful celebration of Christmas and welcome 2023 with a positive attitude that we can all work together to accomplish great things for the good of the order.

My heart is full of happiness when we were able to initiate, passed seven young men & raise eight brothers who are determined to learn about our craft to become a better man. Under the guidance of our Past Masters we all came about a challenging times especially during the pandemic. We were able to navigate through this rough and rugged road and at the end of the day achieve great results. This is the outcome of good leadership and teamwork.

I hope and pray that we could all put our minds together to be able to tackle the work that is ahead of us. Be involved in what lies on the horizon that will improve the camaraderie and fellowship of our Lodge. This year we will try to practice our rituals in all three degrees. Try to be proficient in our stations and lastly to establish a degree team so we can support other Lodges at a moment's notice. Let us thrive together to promote harmony among ourselves. Here's hoping for a great year ahead of us.

In Harmony,
Noel T Santos WM
