## From the East

*Walking in the shadows of greats ....  
the repository of mysteries, secrets & tenets in faithful  
breast ....the longest journey begins with the  
1st ...traveling on the level of time towards .... a  
picture worth a thousand.....*

Bay Cities' August return from our July's rest was busy, the designs upon the #337's Trestle Board mirroring recent accomplishments, the constructs of things to come, welcoming dawn of a new day in the East's horizon. Brothers, fellows and officers returned to their labors; (though recently promising not to decry or tout the past), aren't congratulations different and well deserved at this point? Brethren, line officers, et al are so pleased and happy to cheer their efforts & the passing of eight who have fast progressed in their degrees (with four already proficient - ready for their raising) and the great conferrals all have contributed to, accolades to BCs' JW Dan L champion of district 305 and division 3 ritual competitions and compliments to all who attended August's Stated Dinner Potluck for a great repast & fellowship. AND we all know there is more to come! As always the encouragement and invitation to return to Lodge and its many offerings are here for everyone, change abounds and brothers will confirm ... *that what you put into it is well worth what you get out of it.* Knocking at the door (& there are few), good fellowship/harmony, great food, pursuit of improving business, brotherly competition in ritual & practices in preparation of better conferral, awards nights and the contours of ever new and evolving horizon. 2022 is on the downward incline and gaining speed, elections will come soon, annual communication and soon a new year. The Master's hope is always for your good health, prosperity, and travels but especially to be together once again!

Fraternally, JohnF
