## The Master's Message

**Greetings of the Fall season,  
Brethren of Bay Cities Lodge,**

I hope you are all doing well as we close out the month of October. The change of seasons also meant some changes in Lodge activities.

This month's stated meeting was very well attended as we celebrated October birthday celebrants. We have conferred two of our Fellowcrafts to the Sublime degree of Master Mason.

The two properties of the Hall Association are now both vacant & awaiting as to what kind of restoration will be done in order to bring us out of deficit and improve our bottom line.

Soon, we will be electing the new officers of the Lodge for the ensuing Masonic year 2024 . I hope that they will continue the legacy of what our brothers has done before.

Indian summer has dawned upon us and I am really delighted that it has come about. Seating in the East has brought a lot of stress in mind, body and family and one could only wish that things fall in the right place as what everybody has been expecting. It wasn't easy as we move forward in these trying times.

*To Everyone, please enjoy this Thanksgiving as we celebrate it with friends & families and I would also like to wish you all the best of the Holidays for the remainde of 2023.*

In Harmony,  
Noel T Santos
